If you are attending ProMat 2007 in January, please stop by the ResinDek Booth where we will have some exciting news regarding ResinDek mezzanine flooring products.

We are starting to set appointments for this show, therefore if you would like to meet with us please contact Keith Shipman or Greg Doppler at 888-755-3048 to set up a time to review ResinDek panels and/or other material handling products.

See you in chilly Chicago in January!

## SUCCESS STORY

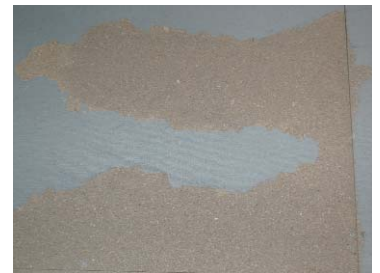

# ResinDek Xspan® is now working in the United Kingdom for Iron Mountain

Within 3 weeks Iron Mountain's new mezzanine flooring in the UK was coming apart and causing numerous concerns as shown in the photo below.

So Cornerstone Specialty Wood Products was contacted to assist since ResinDek is installed in over 80% of Iron Mountain's North American locations.

*Actual photo of competitor's panels after 3 weeks.*

"We are currently planning to use the ResinDek Xspan panels in Iron Mountain's next projects, because they provided an excellent solution to our challenges in Belvedere, UK," said Neil Taylor, managing Director at Lysander Associates.

Please see [www.resindek.com](http://www.resindek.com) success stories for additional information.
