**Cornerstone Specialty Wood Products, LLC  
Reduces Fastener Installation Time by 30%**

**Cincinnati, OH, December 22, 2004** — Cornerstone Specialty Wood Products has recently reduced the number of fasteners required to secure ResinDek® mezzanine flooring panels from 36 to 20.

This product change is immediate and comes at a time when distribution centers are being built rapidly and will assist with their budgets and time constraints.

“ResinDek mezzanine flooring panels have been installed since 1994 and continue to play a significant role by maintaining the appearance and durability that is required in these evolving environments,” stated Greg Doppler president of Cornerstone Specialty Wood Products, LLC.

Cornerstone Specialty Wood Products, LLC located in Cincinnati, Ohio serves the material handling & distribution industry nationwide by supplying wood decking for shelving, slave pallets and ResinDek flooring panels.
