Cornerstone Specialty Wood Products, LLC® – Qualified as Essential and is Open for Business During COVID-19

Our business has been no exception to millions of people's lives significantly impacted by the worldwide spread of the coronavirus.

I am pleased to announce that every facet of our supply chain along with our manufacturing and sales teams have been able to receive designation as Essential Businesses. As a result, we are open for business, and fully able to provide you with the same rapid response to quotations, custom testing, CAD Drawings, and the dependable production of our high-quality, 10-year warranted ResinDek® panels.

Your loved ones and your coworkers are in our thoughts and prayers during these challenging times. I am convinced that our nation and our world will persevere and prosper in the days and weeks ahead. Our Industry is vital to the delivery of rapid and reliable goods and services to people around the world, and we are proud to play our own small part in this noble endeavor. We look forward to working with you on projects large and small in the very near future.

Sincerely,
