CORNERSTONE SPECIALTY WOOD PRODUCTS, LLC, MANUFACTURER OF RESINDEK® PANELS, RECEIVED 2016 MOST VALUABLE SUPPLIER AWARD

Cincinnati, OH - January 15, 2016

Cornerstone Specialty Wood Products has earned the prestigious MVS (Most Valuable Supplier) Award for 2016. The MVS Award is granted by the industry's trade association, MHEDA (Material Handling Equipment Distributors Association) to companies who have demonstrated an exemplary commitment to their dealer network, their employees and their community.

To qualify for the MVS Award, Cornerstone Specialty Wood Products was required to demonstrate their commitment to business excellence and their dedication to ongoing safety. In addition to maintaining businesses best practices they also had to provide documentation on their overall commitment to Continuing Education, Industry Advocacy, Distributor Advocacy and Business Networking.

"MHEDA members represent the best of our industry; companies that take the initiative and make the investments to be not just good, but great at what they do" said 2015 MHEDA President Mark Milovich of Lift Atlanta, Inc. "Recognition as a MHEDA MVS further demonstrates the member's desire to shine above the brightest stars in all areas of running their business- both internally and externally. MHEDA's MVS member companies are simply the 'Best of the Best'!"

"We are honored to receive the MVS award from MHEDA," said Cornerstone Specialty Wood Products President Greg Doppler. "Our company's foundation is built on our values, which guide our actions. We conduct our business with integrity and in an ethical and socially responsible manner. Our entire team is dedicated to creating the best elevated flooring product available on the market by focusing upon the demands and needs of the material handling industry."

Cornerstone Specialty Wood Products manufactures the leading elevated flooring solution, ResinDek® panels, designed and engineered specifically for mezzanines, industrial work platforms and pick modules. ResinDek® panels offer superior design and engineering processes which enhance the functionality, durability and life of the floor. ResinDek® panels have proven structural integrity and support live and dead pallet jack loads from 2,500 – 8,000 lbs. Cornerstone Specialty Wood Products offers onsite installation assistance, detailed CAD drawings and an unprecedented 10-year product warranty. For more information on ResinDek® panels, visit www.resindek.com.

The Material Handling Equipment Distributors Association (MHEDA) is the only national trade association dedicated solely to improving the proficiency of the independent material handling distributor. MHEDA represents close 650 companies in the material handling equipment business. Located in suburban Chicago, the association provides services to companies seeking to improve their business through education, networking, benchmarking and best practices. For more information, visit www.mheda.org.
