Cornerstone Specialty Wood Products, LLC Announces Brazil Partnership

Cincinnati, OH – June 2011 –Cornerstone Specialty Wood Products, LLC, the leading designer and manufacturer of ResinDek® mezzanine decking has partnered with Tecnequip, Tecnologia Em Equipamentos (Tecnequip Technology Equipment) a company that imports, manufactures, and distributes solutions for mezzanine floors and industrial platforms located in São Paulo, Brazil.

As the exclusive distributor in Brazil, Tecnequip recently exhibited 1,000 square feet of ResinDek® Xspan® at the first CeMAT Trade Show hosted in Brazil. The CeMAT South America Trade Show was held at the Imigrantes Exhibition Center, in São Paulo. CeMAT South America was held with the Materials Handling and Storage Equipment Sectoral Chamber (CSMAM) of the Brazilian Machine and Equipment Industry Association (ABIMAQ).

Not wasting any time, Tecnequip was published in the Tecnologista Magazine introducing ResinDek® to Brazil. More information about Tecnequip can be found at their website <http://www.tecnequip.com.br/>.

Tecnequip is currently working on an additional article to explain the 3 “E” Benefits of ResinDek® in Ergonomics, Economics, and its Environmental friendliness, more at <http://www.resindek.com/Page.aspx/148/Expect-More.html>.

“We are excited to bring in partners that can open up new markets and form a long-term win-win relationship for both of us, since this is the heart and soul of our business,” said Greg Doppler, President of Cornerstone Specialty Wood Products, LLC.

About Cornerstone Specialty Wood Products, LLC

Cornerstone Specialty Wood Products, LLC has ResinDek® flooring in warehouses, distribution centers, manufacturing, and storage buildings worldwide. ResinDek® is offered in several grades for various weight bearing load requirements with numerous coatings offered for ESD (electro-static) and stain resistance. All ResinDek® products can contribute towards earning points for LEED® qualified buildings.
