ResinDek® Mezzanine Flooring Earns SCS Certification**

Cincinnati, OH – March 2010 – Cornerstone Specialty Wood Products, LLC product line ResinDek® has recently qualified for certification under the Scientific Certification Systems (SCS) for Recycled Content and No Added Formaldehyde Certification Programs.

The SCS environmental certification process includes site audits to review documented control systems, quality control plans, record keeping, and product samples for laboratory testing.

The ResinDek® product line is SCS certified for a minimum of 46% Pre-consumer Recycled Wood Content (dry weight basis) and for No Added Formaldehyde which requires a laboratory test of less than 0.05 ppm.

“We are very excited to be able to provide ALL grades of ResinDek® with these certifications when specified by customers,” stated Greg Doppler, President of Cornerstone Specialty Wood Products, LLC.

About Cornerstone Specialty Wood Products, LLC

Cornerstone Specialty Wood Products, LLC has ResinDek® flooring in warehouses, distribution centers, manufacturing, and storage buildings worldwide. ResinDek® is offered in several grades for various weight bearing load requirements with numerous coatings offered for ESD (electro-static) and stain resistance.
